

To Access School Email

1. Go to <https://portal.walton.k12.ga.us>. Scroll down, and choose **WCPS Gmail**.

2. Choose **Student** for the Domain. For user name, type in your **firstname.lastname**. For password, type in your **student ID number**. Choose Login.

A screenshot of the "WCSD - Google Login" form. The form is set against a blue background. It contains the following fields and options:

- Domain:** A dropdown menu with "Walton" selected.
- User name:** A dropdown menu with "Walton" and "Student" as options, with "Student" highlighted in blue.
- Username input field:** An empty text box below the dropdown.
- Password:** A label followed by an empty password input field.
- Login button:** A blue button with the text "Login" in white.
