

If you want to read an LHS Media Center eBook from your computer...

- Go to <http://wbb11382.follettshelf.com>
- Click on the rectangle button at the upper right-hand corner of the page, and choose Login.
- When prompted, input the user name and password you use to login to the school computers. Click Login.
- Once you are logged in, you have a couple of options for viewing the books.
 - Cover View
 - If you see a title you may be interested in reading, hover your mouse over the *i* button in the bottom right-hand corner of the book cover. A box will pop up with a description of the book and an option called “Open Book.” Click this option to read it online.
 - If you want to check out the book, drag the book to the Checkout icon on the bottom right-hand corner of the screen.
 - You will get a message saying “You’ve Checked Out...”
 - To return it early, click on the *i* button in the bottom right-hand corner of the book cover. Another window will appear. On that window, you will see a Return Early option.
 - List View
 - If you see a title you may be interested in reading, you either click on the cover to view the book, or click on the Checkout/Hold button to right of the book cover.
