

## Destiny Quest and Follett Digital Reader on Your Apple or Android Device

Using the Destiny Quest mobile app, students can browse their library's Follett eBook collection, check out a Follett eBook using the Follett Digital Reader app and read their Follett eBook – anytime, anywhere – from a tablet device and a phone. Best yet, the Follett Digital Reader app is free for Apple IOS and Android.

**Destiny Quest** is the powerful searching application used to browse the Media Center's collection—anytime and anywhere you have access to an IOS or Android Device. This app can be purchased from the [App Store](#) or [Android Google Play](#). For information, view the video [here](#).

- Once you have downloaded the app, open the app on the iPad.
- Input the following Destiny web address (or URL): [www.wcpsdestiny.org](http://www.wcpsdestiny.org) and tap Connect.
- On the next page, select Loganville High School.
- On the next page, type in your username and password that you use to log into the school computers. Tap Log In.
- Once you are logged in, you can click on the Account icon at the bottom of the screen to find out what items you have checked out, your fines, or what materials you have on hold.

**Follett Digital Reader** is the app used to checkout eBooks from the Media Center.

- Open the app (it should already be on your iPad).
- Input the following information on the http:// box: **11382**
- Input the same username and password as you use to log into the computers at school.
- Tap Login.
- On the next page, click on the Check out More Books.
- You will then be taken the Loganville High School Follett Shelf page. You will see the books we have available for checkout.
- To actually check out one of the books, click on the book to open it.
- You will then be prompted to input your user name and password (the same one you use to login into the school computers).
- Tap Log In.
- There will be a blue Checkout button at the top right of the picture of the book. Click Checkout.
- You then start reading the book from your device. The loan period for eBooks is 14 days.

We know everyone will enjoy this new service! We have more eBooks on the way and plan to add even more next year. If you want to add titles to our wishlist, just send me title and author information and I will check for eBook availability (we will still buy print books as well!).
