

Schoology Helpful Hints

1. If your Schoology app does not work, try logging in and out of the app (if you have the option). If that doesn't work, try deleting and reinstalling the app. Use this information to log in.

Choose: Find your school or domain" box on home page.

Choose: Type **Loganville High School** into the text box. The field will auto populate the results. Tap on **Loganville High School**.

Username: firstname.lastname

Password: student ID number

2. Schoology is also accessible on the web at www.wcsd.schoology.com

Username: firstname.lastname

Password: student ID number

3. You can also access the web version of Schoology by going to the Portal icon on your iPads or portal.walton.k12.ga.us

Username: firstname.lastname

Password: student ID number

4. If you are having issues with files going from Schoology to Notability on your Pad, try logging out of Schoology and then logging back in.

If you ever need additional help with Schoology, come by the Media Center and we will be glad to assist you.
