

Accessing Wi-Fi Off Campus

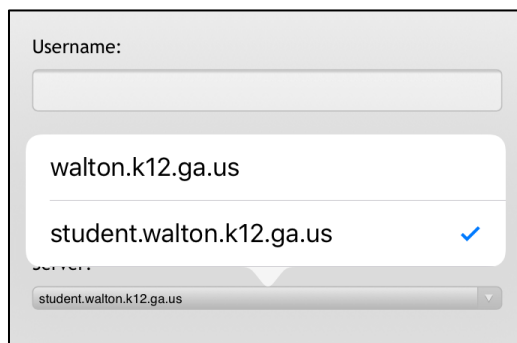

1. On the iPad, go to Settings > Wi-Fi > choose Wi-Fi name. When prompted for your home Wi-Fi password, log in with your Wi-Fi password information.
2. While it is loading, go to an icon on the iPad called **Internet Login**. Tap on that icon.

3. Safari will open and load this webpage. You may have to refresh the Safari page for it to show the page.

4. Once the page loads, log in with the following information.
 - Username: firstname.lastname
 - Password: student ID number
 - Server: Choose student.walton.k12.ga.us from the drop-down menu.

5. Tap **Login**.
